## Curlers Hold The Spotlight This Week . . .

### BRIAR FOURSOME TO VISIT CALGARY

The district Briar rink, which is made up of Herb Sinclair, Irvin Klein, Bruce Shiels and Charlie Pratt will be in Calgary the last three days of the week taking part in the southern Alberta playdowns of the annual event.

### SPRINGSIDE NOTES

(From Our Own Correspondent)

Mr. and Mrs. Frank Collinge of Calgary were weekend guests with Mr. and Mrs. Bill Collinge and family.

Mr. and Mrs. Norman Mitchell and Larry, of Lethbridge, were guests Saturday with Mr. and Mrs. Ernest Clarke.

Rev. and Mrs. Detsken of Olds, and Mrs. Hopper of Moose Jaw, visited Wednesday with Mr. Ezra Thede and Marjorie.

In the farmers' bonspiel third prize was won by the Allen rink, of which Mr. Bill Collinge, Verne Wrigglesworth and Larry Krebs were members.

Mr. and Mrs. Thomas Clarke of Olds were Saturday evening guests with Mr. and Mrs. Ernest Clarke and Lester.

Miss Mary Tieszen of Rosemary visited over the weekend with Mr. and Mrs. Jake Hiedebrecht and family.

Congratulations to Sue and Bob Collinge on their recent marriage.

Mr. and Mrs. Hugh Morton and family were Sunday dinner guests at the Ronald Johnstone home.

The Springside Ladies' Group will meet at the home of Mr. Jake Hiedebrecht on February 14.

### Guest Editorial

#### NO OPTION

This insistence that an employer see that employees' income tax is paid is a new kind of slavery. If the employer does not make the payment within fifteen days of the end of each month he is subject to a fine. Now the employer has not been paid to make the deductions nor to keep the books on the deductions. Yet the onus is on him to collect and remit the taxes. This singles out the employer as the tax payer but the obligation to pay income taxes is an obligation of the individual and the income tax department ought to assume its responsibility of collecting from individuals.

People profess to deride the old days of slavery but this income tax job which is thrust upon the employer is a new kind of slavery. However, slaves were not fined in the old days since they were paid nothing, though they might be disciplined with whip or irons for not doing what they were ordered to do. It is possible that they could have, if they had money, bought themselves off. The present-day employer has no option in the matter.

Fifteen days after the end of each month is too short a time for the average small employer. He usually does his own books and if he is away two or three weeks or a month on holiday or business there is usually no one to do the end-of-the-month books and he has to do them when he comes back. This fine (minimum \$10) after fifteen days has worked a considerable hardship on a number of small employers, for those with a staff of bookkeepers all the details can be kept up to date through holidays or absences. Moreover, an interest rate of 10 per cent on the unpaid balance is just plain usury.

This is one reason why we are distrustful of a sales tax. Besides the nuisance value to the customer and the clerks, the employer is going to be stuck with the job of remitting the tax and this will add one more job. The employer has more than enough of these chores. It is not surprising that the generation growing up prefers to take a salaried job rather than strike out in business for itself.

— The Nanton News

### WESTERDALE NEWS

(From Our Own Correspondent)

Mr. and Mrs. Frank Collinge of Calgary were Sunday visitors at the home of Mr. and Mrs. Ben Kershaw.

Miss Greta Kershaw of Olds spent the weekend at her home here.

For an evening of enjoyable entertainment come to the Variety program at the hall on Friday, Feb. 12, when duets, solos, instrumental dancing, monologues and recitations will be presented by top talent from surrounding districts. Also short skits by local performers. Admission: adults 50c, children 25c.

Mr. Wm. White and son Ellis of Melvin were Sunday guests at the home of Mr. and Mrs. R. Jackson.

### KLEIN WINS F.U.A. 'SPIEL

Sixteen rinks were entered in the annual F.U.A. bonspiel held here last Saturday and the rocks were rolling from early in the morning until late at night.

The I. L. Klein rink, with John McDonald, Roy Westfall and Ellis White helping, took top honors for the day. In second place was Eric Gooding, Glen Ray, Bill Egging and Glen Kershaw. Bill Collinge, Verne Wrigglesworth, Larry Krebs and A. Allan were in third spot, with 4th place going to Walter Pratt, Charlie Pratt, Art Waldorf and John Snyder.

It was a total-point affair and all curlers reported it was one of the better days of curling they've experienced.

### South West Didsbury

(From Our Own Correspondent)

Rev. and Mrs. E. B. Fox and family, Mr. and Mrs. H. W. Folkman and family were Wednesday visitors of Mr. and Mrs. Fred Befus and family.

Carole Dippel was a patient in Didsbury hospital last week.

Miss Katherine Folkman of Edmonton was a weekend visitor with her parents, Mr. and Mrs. H. W. Folkman and family.

Miss Judy Simpson of Calgary was a weekend guest of Mr. and Mrs. Lynn Hunsberger and family. She attended the youth convention while here.

Mrs. Louise Shantz of Calgary was a weekend guest of Mr. and Mrs. R. L. Shantz and family.

Mr. and Mrs. J. Snyder and family were Sunday dinner guests of Mr. and Mrs. E. Dippel and family.

Mr. and Mrs. M. Dippel were Sunday dinner guests of Mr. and Mrs. Jack Winterbottom and family.

### DR. ASQUITH TO ADDRESS HOME & SCHOOL GROUP

The regular meeting of the Didsbury Home and School Association will be held on Monday, Feb. 11 at 8 p.m. in the school auditorium.

The program feature will be in keeping with National Health Week when Dr. R. Asquith will be guest speaker. A film, "Accidents In The Home" will be shown. A cordial invitation is extended to all who are interested.

Following the meeting lunch will be served as usual at a nominal charge.

### C.P.R. TRAIN SCHEDULE

Southbound:  
No. 522 Lv. 5:00 a.m. Daily  
No. 524 Lv. 11:16 a.m. Daily  
No. 526 Lv. 4:57 p.m. Daily

Northbound:  
No. 521 Lv. 12:27 a.m. Daily (flag)  
No. 527 Lv. 9:31 a.m. Daily  
No. 529 Lv. 2:30 p.m. Daily  
No. 525 Lv. 7:25 p.m. Daily

### LEGION LADS TO PLAY IN BROOKS

Another champion foursome, the Cliff Sorenson rink, will travel to Brooks on Saturday to take part in the two-day Canadian Legion playdowns at that point. Calvin Shannon, Fred Evans and Fred Rodway round out a local entry that is expected to make a good accounting of themselves in the south country.

Reports were given by Jim Hadley and Jim Good. Mr. Fulcher gave a talk and had various discussions with the members and parents.

The next meeting will be held at the home of the Bruns Bros. on March 18.

### EAST DIDSBURY CALF CLUB HEARS FINANCIAL STATEMENT

The East Didsbury Calf Club held its February meeting at the home of Harold Shiels. The members had a good afternoon judging a class of Hereford cows and a class of Hereford yearling calves.

All members, Mr. Fulcher and parents were present. The meeting came to order with the roll call and reading of the minutes. The financial statement was read and old business concerning the pie social disposed of. The club wishes to thank all the ladies who brought pies to this event.

Reports were given by Jim Hadley and Jim Good. Mr. Fulcher gave a talk and had various discussions with the members and parents.

The next meeting will be held at the home of the Bruns Bros. on March 18.

### ZELLA NEWS NOTES

(From Our Own Correspondent)

Eight lively tables of military whist were played at Zella on Wed. Jan. 30, with Mrs. Tony Spooner and Mrs. Wilfred Spooner as co-hostesses. The successful defenders were Kathleen Egging, Mrs. W. Jahneke, Tony Spooner and John Hansen. Consolation winners were Mr. and Mrs. E. Waldorf, Mrs. J. Johnston and Mrs. W. Spooner.

Mrs. Bill Egging and Mrs. Harold Braun will sponsor a military whist at Zella, Wednesday, Feb. 13, with everyone welcome.

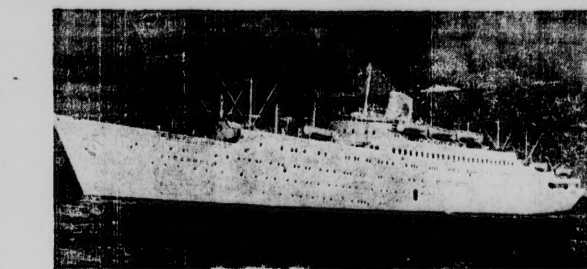

Howard Christensen, employed at Pincher Creek, was home for a few days last week.

While visiting in the community for a few days last week, Arthur Worthington of Lacombe stayed at the home of Mr. and Mrs. Cecil Brown.

Harold Braun, Bill Grange, Bill Egging and Arthur Waldorf participated in the F.U.A. bonspiel in Didsbury on Saturday. Bill Egging played with the Gooding rink and Art Waldorf played with the W. Pratt foursome. The curlers mentioned brought home some loot, winning second and fourth respectively.

The Zella United Church held its annual meeting at the home of Mr. and Mrs. H. Christensen Friday evening. The children were entertained by watching T.V.

Surely Spring can't be too far away. Mr. and Mrs. Holger Christensen sighted a roper on Sunday morning.

**Stockholm at Sea Again**  
Sporting a new bow and coat of paint, the Swedish-American liner Stockholm heads out of N.Y. on a trial run. It was the first trip out of dry dock for the motorship. It lost its bow in a collision with the sunken liner Andrea Doria last July.

### Chitter-Chat

By Our High School Scribbler

On Tuesday, Jan. 29, the two O.S.A. teams came to Didsbury for a double-header in basketball.

Our undefeated girls were victorious once again. Burgess, Ollrie and Prevost made the baskets to give us a lead of 23-20. (We had a little help though, as one O.S.A. girl made a basket — 2 points — for us by mistake.)

The Olds points were made by Dewitt, Newman, Christensen and Fitzgerald.

Both teams played a fast and brilliant game but our champs were just too good for the opposition.

However, our boys were defeated. No further comment. (If you're really interested, some traitor may tell you the score.)

During the past week, students from grades 9 to 12 have been filling out forms on which vocations they are most interested in. In April a group of counsellors will be sent down from Edmonton to discuss the majority of those careers chosen. This idea is something new at D.H.S. and seems to be meeting with the approval of teachers, students and parents.

### BIRTHS AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. K. Berreth of Didsbury, on February 5, a daughter.

### Subscription Note:

Please pay out of town subscriptions by money order.

A red line under your name means your subscription is overdue.

A blue line means your subscription is coming due next month.

Subscribers are reminded that the new subscription rate of this paper is \$3 per year in Canada, \$4 in U.S.

### New Plates Ready For March 1st

The motor vehicles branch of the Highways Department and the highway traffic board office in Calgary will shortly be taking on extra staff and preparing additional facilities for the sale of Alberta's 1937 motor vehicle licence plates.

The new licences, blue letters and numerals on a white background, will go on sale March 1. The current licence expires March 31. Licence application forms will be mailed Feb. 25 and 26.

We don't know what the fine is for a move of this kind but it should be heavy, with some reimbursement to the town that lost all the shekels at the game.

Playing in Trochu on Saturday night Ramblers dropped a close 4-3 decision to the easterners. With only a few games remaining in the regular schedule, Ramblers are assured of a playoff berth but as yet is anybody's guess who they will meet in the first round. By this time next week the position of each team in the standings should be settled.

### Behind The Glass

Thursday, February 7 —

### Innisfail ---Where Were You?

The only whipping Didsbury's hockey club took Monday night was at the gate. Ramblers were all set to tangle horns with Innisfail Aces at 8:30 p.m., with one of the best crowds of the season on hand to watch proceedings, but the opposition failed to show up.

We don't know what the fine is for a move of this kind but it should be heavy, with some reimbursement to the town that lost all the shekels at the game.

Playing in Trochu on Saturday night Ramblers dropped a close 4-3 decision to the easterners. With only a few games remaining in the regular schedule, Ramblers are assured of a playoff berth but as yet is anybody's guess who they will meet in the first round. By this time next week the position of each team in the standings should be settled.

Ramblers are also entered in the provincial intermediate "B" playdowns and meet Drumheller in the first round of a two-game total point series.

### WEST NOTES

(From Our Own Correspondent)

Mr. and Mrs. R. Russell of Sundre and Mrs. C. Russell of Sundre.

A ladies curling team consisting of Mrs. H. Erickson, Mrs. G. Befus, Mrs. P. Drummond and Mrs. D. Gillies, played in the Sundre ladies' bonspiel and came home with a prize in the third event.

The Elkhorn Milling Workers will hold their February meeting at the home of Mrs. Glen Evans on Wednesday, Feb. 13.

Mr. and Mrs. S. Dymallyer and Mrs. C. Hayes visited with Mrs. K. Konchuh on Sunday.

Mr. A. L. Hogg was in Olds on Sunday attending the Legion bonspiel.

### New Lights To Grace Town Streets

At a recent meeting of the Didsbury Town Council it was decided that a number of new street lamps will be installed within the town limits. A representative of Calgary Power Ltd. attended the meeting to give information on the new mercury vapor lamps which will be a decided improvement over the ones now in use.

Nine of the new standards will be placed on the front street with two more on the hotel street. Work on the change will start early in the spring.

### Midway News

(From Our Own Correspondent)

There will be a community show or fair for bridge-club Miss Betty Reid at Midway school on Saturday, Feb. 9 at 2:30 p.m. Everyone welcome, pot luck lunch.

Severely ill Mrs. H. J. Richardson has been a patient in Didsbury hospital. We wish her a speedy recovery.

Mr. and Mrs. J. C. McCulloch and Mr. and Mrs. H. J. Richardson spent the weekend at the home of Mr. and Mrs. Lou McCulloch in Edmonton. They visited other relatives in the city, inspected the plastic plant and drove to Innisfail to visit at the Walt Fulkert ranch.

The ice carnival scheduled for Thursday evening, Feb. 7, will be held as planned providing weather and roads permit.

The Marsh rink was drawn to go to the Reed Ranch ladies' bonspiel and came out fourth in the second event.

There were four Midway rinks entered in the men's Carstairs bonspiel with results as follows: the Schmelch boys took first in the event, Van Meel won third in the same event, Van Gunnean and Taylor dropped by the wayside.

### Westcott News

(From Our Own Correspondent)

Mr. Les Goetjen returned last week from a holiday spent in the southern U.S. and reports a very enjoyable motor trip.

Miss O. MacIntosh of Calgary spent the weekend at the Herbert Goetjen home. On Sunday Mr. and Mrs. K. W. Card and family of Red Deer and Mr. Hubert Papke of Big Prairie were guests for dinner.

Mrs. Baudistel Sr., who has been in Calgary for the past month, is again back in the district.

We are glad to see Mr. Henry Wilbush up and around again after a siege in hospital.

Roads seem to be badly drifted this way as the wind packs the snow first one way and then the other and consequently no one is venturing farther away than necessary in case they can't get back.

Your news items would be appreciated for this column. Please let me have them. Thank you — Mrs. H. Goetjen.

than you think!**

## No Need For Continuous Advertising

**Preachers** ... Should preach only one sermon or so a year. People are against sin anyway, so why harp on it.

**Traffic Lights** ... Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

**Teachers** ... Do not need to review lessons. Tell the children just once and they'll never forget.

**Highway Police** ... Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

**Out of Towners** ... That advertisements in the local paper and mail order firms that send out catalogues are wasting their money. Everyone knows what is sold in the stores in town and they'll all shop at home.

But if you are one of the foolish kind — like the Notre Dame cathedral that has stood for six centuries but still rings the bell every day to let people know it is still there — and believe in continuous, profitable advertising then you will want to advertise in

## 1957 DODGE TRUCKS FEATURE V-8 ENGINES IN ALL LINES

Chrysler of Canada has made available for 1957 a range of more powerful V-8 engines. These engines feature unique dome-shaped combustion chambers which promote greater efficiency through much more complete fuel combustion. All 1957 truck models, including the D100 Town Panel shown above, will be available with this new V-8 engine. Also featured for 1957 is the

new alligator hood. An all-new hinge system allows the hood of the truck to be opened to a full 90 degrees. This permits much more light to enter the engine compartment and also allows for complete accessibility to all sides of the engine. Service men will find it most helpful for it eliminates the necessity of removing the hood when taking the engine out of the truck.

## WEST NOTES

(From Our Own Correspondent)

(Intended For Last Week)  
The Cremona Curling Club held a very successful men's bonspiel last week with over 30 rinks entered. A. L. Hoag, Arnold Hoag and Ralph Thompson, who played on Ken Brian's rink, were in the prizes.

Mr. and Mrs. Alfred Cowitz were visitors in Calgary over the weekend.

The Rugby W.I. held a whist drive in the Elktion school on Monday evening with seven tables in play. Honors went to Mrs. P. Howwood and Mrs. W. Hinckelman and Mr. Les Evans and Mr. Alfred Cowitz; consolations to Mrs. I. Howwood, Mrs. A. L. Hoag, Mrs. A. Blain and Miss Lila Blain, the latter two playing as gents.

## Board Of Directors Set Initial By-Laws...

Following is a continuation of the by-laws accepted by the newly organized Didsbury and District United Appeal Group board of directors:

**ARTICLE V  
AUDIT OF ACCOUNTS**  
Section 1: The books of the Didsbury and District Community Chest shall be audited by a duly authorized auditor at least once a year.

**ARTICLE VI  
AMENDMENTS**  
Section 1: These by-laws may be enlarged, amended or repealed by means of a resolution passed by a majority of not less than three-fourths of such members entitled to

vote, as are present in person, at a general meeting of which notice, specifying the intention to propose a resolution as an extraordinary resolution, has been given.

**ARTICLE VII**  
The books and records of the Didsbury and District Community Fund may be inspected by members at the office of this society.

**ARTICLE VIII  
COMMITTEES**  
Section 1: The board of directors in each year shall appoint an executive committee, a campaign committee, chairman, and a budget committee, and may from time to time appoint additional committees and subject to the general powers of management and administration vested in the board by these articles may designate the duties and powers of such additional committees.

**Section 2: Executive committee:**  
(a) The executive committee shall consist of such officers of the board of directors and such other members as the board of directors shall appoint from its own membership.

(b) The duties of the executive committee shall be to supervise and direct the general routine work and administration of the society subject to the supervisory and direction of the board of directors.

**Section 3: Campaign committee:**  
The Campaign committee of this society shall consist of the campaign chairman, appointed by the board of directors and such additional persons as such campaign chairman may appoint.

**Section 4: Budget committee:**  
(a) The budget committee shall consist of an uneven number of members deemed advisable by the board of directors; each participating organization shall have one representative. The chairman shall be elected by the appointed members.

(b) The duties of the budget committee shall be to consider and decide all matters pertaining to the allowance, increase and reduction of budgets, including payments to the health and welfare societies in accordance with these budget allowances and all other matters incident thereto, including authority to request and obtain any information which it deems necessary from any health and welfare society. All acts of the budget committee shall be subject to the final approval of the board of directors.

**ARTICLE IX  
GENERAL PROVISIONS**

**Section 1:** Any subscriber may designate the member organization or organizations to which he desires his subscription to be credited, but the board of directors shall determine whether his subscription shall be credited thus in case the total designated shall exceed the budget allowance.

**Section 2:** Budget report: Each health and welfare society participating in the combined campaign shall submit to the society such information concerning finances, program, etc., and in such form as the budget committee may require.

**Section 3:** Special campaigns: No health or welfare society which participates in the community chest campaign shall conduct any public campaign or solicitation for financial assistance for ordinary routine purposes, nor any special campaign for special financial purposes, except with the consent first obtained by the board of directors of this society.

**ARTICLE X**  
Agreement with Health or Welfare Societies sharing in the Didsbury and District Community Chest funds.

**Section 1:** For the purpose of sharing funds to be raised by the Community Chest, each participating society shall agree:

(a) To accept the apportionment of funds made to it by the budget

## Obituary

**LYDIA HARRIET RAGAN**

Mrs. Ragan died in a nursing home in Vancouver on January 23, 1957. Born Lydia Harriet Lewis in Trenton, Ont., May 13, 1872, she married Thomas Ragan on October 28, 1888. The couple moved to Westerdale in 1903 with their five boys and two girls. They moved to High Prairie in 1910, where she lived until four years ago, when she moved to Vancouver. Her husband died in 1952 and her eldest daughter, Mrs. Myrtle Gorton, passed away in 1948.

Surviving is one daughter, Mrs. Allie Stafford of Faust; five sons, John, Cremona, Ruben of Spokane, Len, George and Cecil in High Prairie. There are 36 grandchildren and 40 great-grandchildren.

Funeral services were held from High Prairie United Church, with Rev. L. O. Keays officiating. Burial was in St. Marks Anglican cemetery, at High Prairie.

**RAJA FLAX**

The recently distributed variety of flaxseed, known as "Raja", is one of the earliest varieties yet developed. It is immune to present rates of flax rust, has a stiff straw, and produces a large, plump seed. It fields well in eastern Saskatchewan and Manitoba but poorly in northern areas of Saskatchewan and Alberta.

New high-styled DODGE trucks give you  
on-the-job exclusives *by the score*

1. Dome-shaped V-8 design gives greater efficiency, economy.
2. Famous L-head 6, proved in millions of miles of hauling.
3. Alligator hood opens to full 90° for easiest engine servicing.
4. Lowest express loading heights mean less work to load and unload.
5. Industry's roomiest cab—ample space for three men.
6. Independent hand brake can be adjusted from inside cab.
7. Gas tank is located safely outside of the cab.
8. Dual electric constant-speed windshield wipers are standard.
9. Straight-line instruments can be read easily at a glance.
10. Biggest behind-the-seat storage area in the truck business.
11. Five-way seat adjustment assures more driving comfort.
12. Centre-mounted dispatch box is easier for driver to reach.
13. Push-button driving—touch a button, and GO! Optional on D100 models.
14. Forward Look styling that builds prestige for your business.
15. Biggest one-piece wrap-around windshield for better visibility.
16. Full-type door handles for flick-of-your-finger convenience.
17. Safety-Lock door latches keep doors safely shut under impact.
18. Oriflow shock absorbers soak up bumps far more effectively than other types.
19. Shortest turning diameter on many models for easiest handling.
20. Baked enamel finish is fade-resistant, keeps sparkle for years.

## Ramblin' and Roamin'

### Just For The Record . . .

That triple crown won by local curlers definitely has the sports-minded people of our northern suburb hanging on the ropes. Apparently our crews weren't supposed to be that important . . . but the scoreboard always makes the final decision. Give in fellas, you were beaten, well beaten — let's take it from there!

### Just For The Record . . .

Let's not play with traffic signs . . . sometime during a recent weekend some person or persons caused damage to one of the cross-arms of the traffic post at the north C.P.R. crossing in Didsbury. This is a criminal offence and anyone having any information concerning this wilful act are asked to contact town authorities. The next one across those tracks may be your wee sister, your mother or your brother — we don't imagine you would care to see them hurt — why not let the proper authorities know when you happen to be on the scene when foolish manoeuvres like this take place.

### Just For The Record . . .

The hail suppression plan we've been shootin' off about for so many months is all settled again insofar as this immediate area is concerned. The "smokers" are scheduled to go into action on June 25 and will be available for service until September 30, under the existing contract. The area to be covered is larger than last year and last-minute word tells us that there will be a plebiscite in another part of the municipality before the hail clouds move our way this year.

### Just For The Record . . .

The wheels are still turning but there is no doubt that we have a united appeal group working in our midst. Different organizations have grouped together and plan to make it a one-time-around deal as far as canvassing is concerned. Just means you'll hear only one ring on your door bell when it used to be ten or more. Add up your donations for last year and try to make it the same . . . or more!

### Just For The Record . . .

That rumor about the local ice palace closing down early this year was just a rumor. The big sheet will be available for another month at the least . . . even if the town does have to pick up the over-draft. It's still a ghost's paradise, that is if you look towards the bleachers. Midget, high school and intermediate teams play within the portals — but whose watching? You guessed it, the ghosts — and have you ever seen a ghost pay admission to any encounter.

### Just For The Record . . .

The young man who's looking forward to stepping into his father's shoes ought to be reminded that Dad doesn't wear loaders

## By The Way

Contributed by

REV. T. J. STANTON, M.A.

"A little nonsense now and then, is relished by the wisest of men."

"To live with good humour every day"

Will chase all your worries and wrinkles away!

"Good humour is described as a mirth that is consistent with tender passion for all that is frail, and at the same time is fraught with profound reverence for all that is sublime. Humour is a solvent that takes the destroying grit, and deadly worrying irritations out of life. He who will learn to laugh heartily at himself and the little foibles peculiar to all men will never be a casualty in the war of nerves. Of course, man is always in need of the directing force and steadying power of large conceptions and great truths. Man also needs that which will keep him from taking the less harmful transgressions of every day life so seriously that they destroy his spirit of buoyancy."

True humour is the coming to the surface of that deep-seated belief that joy exists at the heart of this universe. Humour, like good music can lift the mind and heart above the cold gray days and dull moments to where it can share that joy. The New Testament begins with the joyous song of happy Angels and closes with the Hallelujah chorus. He who made man made laughter. Laughter lifts life to where the discomforts, disappointments and difficulties of life cannot get us down. The world about us is often in a mess. The goals we have striven for often continue to elude us. Yet laughter is possible so long as faith is a living virtue. Let us recall here the cheery message that echoed on the sandy shores of old Galilee. The burdens of mankind weighed upon Him, yet He shared the joy of heaven, as He said: "Be of good cheer I have overcome the world." Of course, laughter and humour are not the same but they are very close companions.

Some few years ago a budding artist went to the black-board in an old school house. He drew two pictures. One picture was of a man coughing and choking because he had swallowed a tiny fly. The other picture was of another man holding a full grown camel in the air with one hand, while he was trying to get the animal's head in his mouth by the help of the other. Of course, everybody in the room laughed. Those pictures were funny. But how funny do people get. At a time when it was wrong to play a piano on the Lord's day it was not thought wrong to make children work sixteen hours at a time in a coal mine. Yes, and people have prayed, asking for help to capture other people, only to sell those captured into slavery. People have been known to be very careful about little issues, when they in general have forgotten to be kind.

Let us face the facts. There are many big, ugly, ungainly and ungodly things that are deadly enemies to human happiness today. Even if man could succeed in swallowing some of these they would bring him nothing but misery and fear. A healthy society could no more digest them than a healthy person could digest a furry old camel. A weak or sickly society would of course suffer that much more from the effort.

The people who succeed best are a cheerful people, because they are a hopeful people. They sing more, they smile more, they love more because they believe more. Their attitude reflects their faith in God and in goodness. Thus they fear less. "Fear has torment. There is no fear in love; perfect love casteth out fear." So it is happiness fills the life. Laughter is so often bet-

Agricultural Service Board

## SEED CLEANING PLANT . . .

Elsewhere in this paper you will see a notice calling attention to a public meeting to be held in Carstairs to discuss the need, feasibility and location of a municipal seed cleaning plant. These seed cleaning plants are built with funds as outlined below:

The provincial government give a grant of one-third of the cost, the municipal district give one-third and the remaining third is raised through sale of shares to interested farmers.

Total cost of a plant runs close to \$45,000. It is equipped with high capacity top notch machinery that is especially designed for accurate separation of weed seeds from grain.

A plant of this sort will clean upwards of 200,000 bushels in a season. Presently there are 19 such plants operating in the province with at least three more being planned. Such a plant needs to be centrally located where it will serve the needs of its patrons.

You will want to be on hand to hear Mr. Parkinson, who is in charge of the plant building program, discuss all the angles and answer questions. He is a man of wide experience in this particular field.

## Letter To The Editor

Editor The Pioneer,

Didsbury, Alberta.

Dear Sir:

The executive and members of the Provincial Chapter, I.O.D.E., would appreciate very much sufficient space to publicize the following notice:

The Provincial Chapter of Alberta, Imperial Order Daughters of the Empire, announce that twenty bursaries of \$1600 each are being offered across Canada under the Second War Memorial.

These bursaries are awarded to Grade XII students eligible for university entrance, whose father or mother having served in His Majesty's Forces during World War II, suffered death or permanent disability.

Application forms may be obtained from the Registrar of the University of Alberta, or from the Provincial Educational Secretary, I.O.D.E., Mrs. J. D. Manning, 14607 95th Avenue, Edmonton, and must be returned to her not later than March 1, 1957.

(Signed) Marjorie A. Allen, Echoes Secretary, Mous Chapter, Didsbury

ter than tears, and so often needed.

When a bit of sunshine hits ye.

After passing of a cloud.

When a bit of laughter gits ye

And ye'r spine is feelin' proud,

Don't forget to up and fling it

At a soul that's feeling blue.

For the minute that ye sling it

It's a boomerang to you."

THE PLAN CAN BE !!!  
THEY TELL ME YOU CAN'T  
WIN IF YOU NEVER TRY !!!

## 1957 DESOTO FEATURES "TORQUE-FLITE" DRIVE

## Standard equipment on all 1957 De Soto models

is Chrysler of Canada's versatile new "Torque-Flite" drive. Combining the already famous

Chrysler "PowerFlite" with two new gear ranges  
this version allows the driver to choose the gear  
range best suited to driving conditions. For 1957

De Soto offers two series, the Firelite and the  
Firemoor. Each incorporates a four-door sedan,  
a two and four-door hardtop and a convertible.

## The Firelite series also includes a three-seat,

four-door station wagon named the "Explorer",  
and a two-seater named the "Shopper". Again,

"engineering for safety" practised at Chrysler  
has produced such safety features as Total Contact

brakes, new ball-mounted rear-view mirrors,  
accident-proof door handles, greatly improved

visibility, and an entirely new "Torsion-Aire"  
suspension system.

## Notes From D.A.

## By HOWARD J. FULCHER

We all know the value of keeping  
records and accounts in farm op-  
erations. Many companies and in-  
stitutions make farm record books  
available to farmers; these vary  
somewhat, some quite simple, while  
others are more complicated. They  
all are of value to the individual  
farmer only if he uses them.

Many of you remember Mr. C. C.  
Robinson who worked from this  
office for a period of time. He has  
written the following on farm rec-  
ords and accounts, and I am pass-  
ing it on to you in its entirety.

"The first of the year is a good  
time to think of setting up a sys-  
tem of records and accounts. Some  
say why should a farmer bother  
with records or accounts? Others  
say they are not making enough  
money to need an account book to  
keep a record of it. To these peo-  
ple I would say: you are the very  
persons who should be thinking  
about farm records to find out  
where the leaks are in your farm  
float.

Farming is a business and good  
businessmen keep records and ac-  
counts of their business operations.  
High capital values of land, im-  
provements and equipment, as well  
as complex operation costs and fi-  
nancing, emphasize the impor-  
tance of good business management.  
An adequate set of records and ac-  
counts of all business transactions  
will serve many useful purposes.

A very good farm account book  
should contain three sections: First  
an inventory, a listing of all the  
farm property with estimated dol-  
lar values. The inventory will serve  
as a ready reference as to the value  
of the individual items and is need-  
ed to compute the total capitaliza-  
tion, to prepare a financial state-  
ment and to calculate net worth.  
Secondly, it should have a record of  
expenses and receipts. This forms  
an accurate reference of all farm  
business transactions. And thirdly,  
a section for summarizing and an-  
alyzing the farm business at the  
end of the year. This section can  
be used for calculating total in-  
vestment, total revenue, deprecia-  
tion, net income and various other  
summaries that may be desired.

This information is not only use-  
ful for filing an income tax return  
but, the most valuable purpose of it  
should be in showing you where the  
weak links are in your farming op-  
erations and helping you to plan  
your operations in the future to  
avoid the mistakes of the past."

## KNOX W.A. EVENING GROUP

## INSTALL NEW OFFICERS

The Evening Group of Knox Unit-  
ed W.A. met in the church on Jan.  
28 with 18 members present. Rev.  
Stainton installed the following of-  
ficers for a two-year term:

President, Mrs. Elsie Sorenson;  
first vice-president, Mrs. Ella An-  
drews; second vice-president, Mrs.  
Ruby Kimmell; secretary-treasurer,  
Mrs. Anne Jenkins. The various  
committee members were also ap-  
pointed.

Arrangements were completed for  
the manse tea, to be held Feb. 9th.  
Mrs. Lucille Shannon gave a very  
interesting stewardship topic en-  
titled "The Stewardship of Mon-  
ey." Devotional was taken by Mrs.  
Helen Klinck.

## Bread Prices Up

Last week the price of bread in  
Alberta was advanced by one cent a  
loaf. The price of a 20-ounce loaf  
in the cities is now 19 cents in the  
store and 20 cents delivered. In-  
creasing costs of ingredients, par-  
ticularly sugar, and higher wages  
were given by bakers as the  
reason for the boost.

It should be clear to all that  
wheat cost did not play any part in  
this increase. Though bread is  
basically a wheat product, the cost  
of the wheat going into a loaf does  
not have much effect on the price  
the consumer pays. Even if the  
farmer gave his wheat away bread  
would still cost over 15 cents a loaf.

Since early 1949 the price of  
bread has gone up from 15 cents to  
19 cents a loaf. The price of wheat  
to the producer has actually gone  
down, although the cost of wheat to  
the miller is slightly higher since in  
1949 the government was buying  
bread consumers to the extent of  
46½ cents a bushel on wheat con-  
sumed in Canada.

## CHRISTIAN SCIENCE

The fact that all things are pos-  
sible to God will be emphasized at  
Christian Science services Sunday  
in the Leason-Germon which is en-  
titled "Spirit."

Luke's account of Christ Jesus'  
healing of the "woman having an  
issue of blood twelve years (Luke 8)  
will be included in readings from  
the King James Version of the  
Bible.

Selections from "Science and  
Health with Key to the Scriptures"  
by Mary Baker Eddy will include  
the following (182-184-1): "The law  
of Christ, or Truth, makes all  
things possible to Spirit; but the so-  
called laws of matter would render  
Spirit of no avail, and demand ob-  
edience to materialistic codes, thus  
departing from the basis of one  
God, our lawmaker."

The Golden Text is from II Cor-  
inthians (3:17): "Where the Spirit  
of the Lord is, there is liberty."

WHERE ELSE DO  
YOU GET

## WHEN THE PAYCHECKS STOP

coming in regularly, there is concern in

the household. Old Man Winter has in

the past brought about conditions that

have resulted in scarcity of pay checks

for many. He's being thwarted more

often these winter days as result of

co-operative efforts between private con-

cerns, the federal employment authori-

ties and the provincial government

through its Department of Industries and

Labour. The joint efforts of these groups,

who started a "Do It Now" campaign,

has resulted in a much higher level of

continued winter employment.

## AND SPEAKING OF PAYCHECK LACK, IT

often happens that adversity hits a family that

brings about income and other lacks. It may be

lack of money, or lack of responsibility, lack of

mutual affection, any one of many possible lacks.

The result is sometimes broken home, and cause

of a bitter memory imbedded in a child's mind,

that will stay there for life. It's always the children

who suffer most.

## WHEN THINGS BECOME DIFFICULT

the Department of Public Welfare can

always help the Municipality to step in

and care for the material needs of the

kiddies. It can't replace the love and

affection that exists between members of

every family. So the efforts of this

branch of the department, with the co-

operation of municipal authorities, are

today directed to maintenance of family

units wherever possible. This is achieved

by soliciting the sympathetic help of

neighbors and community at large to

help the stricken family help itself back

up to a level of social and economic soli-

darity. There is, where necessary, financial

help available by means of grants to the

local authorities through the department.

But more often than not it's the help of

neighborly interest that is needed. Know

anyone you can help to maintain his

family as a family?

WE'LL BE SEEING YOU AGAIN NEXT WEEK,  
WATCH FOR US.

Your Future is Here... In Alberta

## Leduc No. 1 Oil Well To Have A Birthday

Canada's most famous oil well will celebrate its 10th birthday next week amidst evidence that some of its most exciting results are still to come.

Representatives of industry and government will meet in Edmonton on February 13 to mark the 10th anniversary of the discovery of Imperial Leduc No. 1 — the famous well which sparked developments that have moved oil from a minor role to Canada's number one mineral.

While the decade's achievements in oil wells, pipe lines, and new refinery construction add up to an imposing list, the mood of oil men on the eve of the celebration was plainly, "You ain't seen nuthin' yet."

The men in the producing side of the oil business say that in the next quarter century they expect to discover from seven to ten times as much oil as they now have in reserve.

And the industry's economists say that the petroleum outlook is going to mean more jobs, bigger plants, larger supplies of products, and a greater variety of them. Instead of consuming one-and-a-half gallons of oil products as he does today, the average Canadian will probably be consuming two-and-a-half of three gallons a day in 1980.

Much of the present and future stature of the Canadian oil industry can be traced back to Imperial Oil's discovery well at Leduc; the well that changed the story of Western Canada oil exploration from one of persistent discouragement to vigorous enterprise. Before the Leduc discovery, Imperial alone had drilled 133 wells in the Canadian west and all were dry. After Leduc, the oil producing industry moved into high gear, achieving the following imposing results:

In 1946 Canada imported more than 90 per cent of the oil she needed. Today Canadian oil wells are producing 65 per cent, on balance, of the nation's oil needs, and these needs have tripled in the meantime.

The number of producing wells in Western Canada increased during the decade, from 393 to about 10,000. Their output has increased from about 20,000 barrels daily in 1946 to an estimated 540,000 barrels daily now.

Canada's oil pipe line system has grown from 419 miles in 1946 to some 5,700 miles today. Included are two great arteries pumping the new Canadian crude to market — Interprovincial, which is the world's longest crude oil trunk line, running 1,772 miles from Edmonton to Sarnia; and Trans Mountain, which was pushed through tough terrain to the Pacific coast.

Edmonton, Calgary and other prairie centres have seen rapid population growth and more prosperous times as new businesses came in to serve the oil producers.

Provincial revenues in Western Canada have been increased by payments for land acquisition and royalties.

The oil industry's total investment since Leduc has now reached almost \$4 billions, and new investments are being made today at a rate of more than \$1,500,000 a day. Between now and 1980, oil men expect to spend about \$20 billions to provide facilities for finding, pro-

ducing, moving, refining and selling oil products — which, they say, can be translated into jobs, payrolls, and better living.

There are two kinds of men who never amount to much — those who cannot do what they are told, and those who can do nothing else.

— Cyrus H. K. Curtis

### BANCROFT GIRLS CLUB PLAN SKATING PARTY

The January meeting of the Bancroft Girls' Club was held at the home of Judy and Viola Harder on Saturday, Jan. 26. The meeting opened with a song and recitation of the creed. Roll call was answered by reciting a poem.

Junior and seniors brought a finished project in knitting. It was decided that the first prize to be raffled at the club dance would be a TV snack set.

The next meeting will be a skating party for the girls and their brothers, and will be held at the Midway skating rink Feb. 9 at 7:30 p.m.

### Harmattan News

(From Our Own Correspondent)

(Intended For Last Week)

The Harmattan Home and School Association held its regular meeting on Monday, January 21 with a large attendance. Some of the pupils were invited to attend as Dr. Keys of the Mountain View Health Unit was the guest speaker. His topic was "nutrition," and he showed two very interesting films on the subject. The finance committee plan to make preparations for a variety show to raise funds. Fees are to be paid for a delegate to the Home and School convention in Edmonton in May. The next meeting will be held at the school on February 18.

Darlene Dodd and Darlene and Dan Moore held a skating party for the Harmattan senior room on January 19.

Mr. and Mrs. Donnie Dodd and family and Mrs. Clara Armstrong were Calgary visitors last week where they visited relatives.

Mr. and Mrs. N. Burgoyne and daughter of Calgary visited recently with the Art Johnsons.

saves dollars ...  
makes sense!**

NIAGARA 600 FOUR-DOOR SEDAN

Fuel economy is just one of the many reasons why more and more Canadians with a thrifty nature are climbing aboard the "Meteor Six bandwagon." First cost is substantially lower. Operating costs are slim. And Meteor's Six is so well-engineered, so beautifully designed, that a serviceman rarely sees it—except at auto shows! Add to these facts the high 144 hp. rating and short-stroke low friction design, and you see why Meteor's Six is Canada's most modern, cost-saving engine. It's available in all magnificent Meteor Niagara models. Climb aboard—it makes good sense.

## DISTRICT NEWS

### Letter To The Editor

Editor The Pioneer,  
Didsbury, Alberta.

Dear Sir:  
It seems as tho' everyone is trying to give some expert advice to our hockey team these days. Too bad the season is nearly over, for a little "coaching from the audience" would have seemed more appropriate two months ago. The team in question is the so-called Ramblers. A very good description, for I have seldom had the opportunity to see a group such as this "ramble" around on skates in such a state of confusion.

Now, I don't mean they don't know what they're doing out on the ice — I guess it's just the way the boys go about doing it that makes it look so difficult for them. I have heard a lot of "after the game" talk about whether or not Didsburys should admit they aren't so much as recognize the boys on the hockey team. This should not be too much of a problem, for after the boys lose a game you seldom see any of them for a day or so anyway. One or two may slip into a coffee shop for some refreshment after the game but they leave immediately, and very quietly. One very dejected looking fan lately stated: "I've never seen them play a good game yet." I can't say as I go along with that, for I have seen them play with great enthusiasm at least twice. One of the boys told me the reason for this. He said, and I quote: "I guess we were all on the ball tonight." Well and good, but it seems to me if even half of them "were on the ball" once in awhile they could do better every game.

Maybe if the Ramblers had more confidence in themselves it would help. When they go on the ice no one expects them to do much as come close to winning, so why bother? Perhaps if a few more citizens of this fair town would don their hats and gloves, motor over to the arena and give the team a little moral support, the final tally would look a little different.

It sets me to hear the "pro" playing the game all over again while they sip their morning coffee the next day. Especially when none of them even so much as dropped in to see if the boys were playing as scheduled.

When you walk into the arena and see all you'll see, as far as the crowd is concerned, is the handful of young people gathered around the stove — perhaps a half a dozen older folks talking farms by the door. I have never seen such enthusiasm. In fact if enthusiasm was a battery they wouldn't have enough to light up a fire fly.

If no one is interested in the hockey game or the boys that bear the name of Didsbury on their sweaters, why enter a team in the league in the first place? Most of all, why go to Olds to watch a game when your own team is playing right here at home? So what if the teams aren't as good — with a little effort from the good citizens it may improve, you never know until you try. So let's get behind the Ramblers, they've got what it takes if they feel like using it. . . . have you?

(Signed) — AN ARDENT FAN

### BERGEN NOTES

(From Our Own Correspondent)

The Bergen Ladies' Aid held its first meeting of the year at the home of Mrs. Emma Lind on Jan. 31, with the newly-elected officers. Mrs. Harry Vine, president, and Mrs. L. Connors, secretary, in charge. Several visitors from Sundre were present. A new baby was presented with the usual gift and a basket of fruit was ordered for a sick person in the district. The next meeting will be held at the home of Mrs. Harry Vine.

A number of district young people attended the youth convention in Didsbury over the weekend. Congratulations to Mr. and Mrs. Reg Admussen, who are the proud parents of a baby girl; also to Rev. and Mrs. Willard Swalm of Edmonton, formerly of Bergen, who are receiving congratulations on the birth of a daughter.

Best wishes to Miss Ellen Erickson, whose marriage to Mr. Leonard Butts takes place on Feb. 23 in the Pentecostal Holiness Church here.

### Harmattan News

(From Our Own Correspondent)

The Harmattan Women's Club met at the home of Mrs. Fred Wright on January 31. Main business was voting in a new slate of officers. They are: Mrs. Bill Dodd, president; Mrs. Workman, secretary-treasurer. Mrs. Dodd offered her home for the ladies to meet and sew on a quilt which is to be raffled later on. Next meeting to be held at Mrs. Marshall Armstrong's. Mrs. Clara Armstrong has been a patient in Olds hospital for several days. We hope she will soon be up and around again. Arthur Knight left Sunday for Calgary where he will be attending Mount Royal College.

### M.V.B.C. NEWS

(From Our Own Correspondent)

The busy week is over and the students have already cleaned up all the corners of the campus. There were 109 young people came to us for the Youth Fellowship Convention, and we were indeed busy. The president of the fellowship, Mr. Ormand Sherick, was in charge of the arrangements, program, etc. He did an excellent job. Miss Phyllis Traub and David Archer looked after the billeting, arrangements for lodgings of every kind, and they had a neat task and did it very well. Miss Alvina Reis arranged table service; the banquet held on Saturday evening and nothing was lacking in care. These young people are to be commended for their ability to organize and carry through a difficult task. Rev. Koltra, of Fort Wayne, Indiana, was an unusual speaker and understood young people so well that he could hold that large crowd in absolute attention each time he spoke. It was a good convention.

Rev. N. W. Swalm, the conference youth director, was happy indeed when he received word in the midst of one of the services of the birth of a daughter to their home. We surely congratulate him and his wife, and rejoice with them.

Rev. and Mrs. Carl Lehman, recently returned missionaries from India, not only spoke at the convention but also in the college at chapel on Monday. They are fascinating speakers and if you set a chance to hear them and see their wives, be sure to do so. The choir sang in the Alliance Church, Calgary, on Sunday evening. Most of the students and some of the faculty accompanied them. After the very good service, where President Taylor also spoke, the young people of the church had a sing-along in the basement of the church and served refreshments. Mr. Carpenter is to be commended for the good work he is doing.

The days to come promise to be busy ones. Students are preparing for recitals, and on the 17th of this month they will be taking over the church services and the Sunday school activities in the Didsbury United Missionary Church. This is always of unusual interest and we expect a large crowd that day. Be sure to come.

On February 24th the entire school, students and faculty will be visiting various churches of the conference and present the needs of the college to our large constituency. It will also be a busy day. Mr. Taylor is arranging the program for the same. The college has been able to procure the burners for the installation of gas. We do not know when the transference will be made but the little funds are coming in for this advance in heat. Perhaps before spring comes we shall have this commodity and lessen the work of the janitor greatly.

## Little Items of Local Interest

Mr. and Mrs. S. Price leave Friday to spend a month's vacation at Honolulu.

The H. Moorhead family have taken up residence in the Mike Itanier house.

Mr. and Mrs. D. McMullen held a family dinner following the baptismal service at St. Cyprian's Church Sunday for their son, Brian Douglas. Rev. Doyle officiated at the service.

Miss Mary McDonald has joined the staff of the local branch of the Royal Bank.

Mr. Bruce Freeman of Brooks visited with his mother, Mrs. Nancy Freeman over the weekend.

Mr. and Mrs. R. Davidson and family were Edmonton visitors last weekend where the former attended an oil men's convention.

## MELVIN NOTES

From Our Own Correspondent:

Mr. August Krebs is a patient in the local hospital but is well on the mend again. He expects to go home as soon as his diabetic diet is regulated.

Neil Youngs is also a hospital patient with a knee injury suffered playing basketball a couple of weeks ago. A cast will be put on as soon as the swelling goes down.

Mr. and Mrs. E. Dupont and David visited at Sundre on Sunday with Mr. and Mrs. J. Richardson and family.

Mr. and Mrs. Lester Krebs and girls were guests of Mr. and Mrs. F. Herbert at Elkton on Sunday.

The Melvin Community Club held its annual meeting on Tuesday evening at the home of Mr. and Mrs. E. Dupont. Present officers were re-elected for the coming year. It was voted to donate \$10 at the present time toward the Didsbury Rest Room Fund.

Donnie Kouschuh of Calgary spent the weekend at his parental home here.

High winds on Monday morning filled in many roads and the school buses were called to take the children home early in the day. With clearing weather conditions and a great deal of work with the snow plow, things were pretty well back to normal by the next day.

## FIVE-YEAR LICENCE PLAN FOR ALL ALBERTA DRIVERS

The Alberta government has decided to adopt a five-year licence for motor vehicle drivers which will take effect this year.

This major change in the province's licensing system was announced on Jan. 21 by Hon. Gordon Taylor, minister of highways at a conference in Edmonton which was attended by representatives of organizations interested in traffic safety and motor vehicle administration.

The five-year licence has been under consideration during the past two years and was discussed at the 1956 session of the Alberta legislature.

The cost of the new licence will be \$5, instead of the \$1 charge which has been each year for a driver's licence.

Mr. Taylor said the new licence will be issued from the driver's birthday. Any motorist whose birthday falls before March 31 will be required to purchase his five-year licence when they go on sale in April.

Persons whose birthdays fall between March 31 and Dec. 31 will be able to wait until their birthday before renewing the driving licence. This means there can be a few months of "free" driving for many persons, as the old licence can remain in force until the end of the year if necessary.

The minister said that eventually it is expected that every driver will have to undergo a driving test before his licence is renewed every five years.

Under the new system there will be four different categories:

The Class A licence will entitle the holder to drive any type of vehicle including buses, school buses and taxi cabs. The tests will be stiffer and include medical inspection.

Class B drivers will be entitled to drive any type of vehicle except buses, school buses or taxi cabs.

Class C for the present, has been left open.

Class D licence entitles the holder to drive any passenger car or commercial or public service vehicle with a gross weight of less than 6,000 pounds. It covers drivers of private vehicles who are not allowed to carry passengers for hire.

The licences issued this year under the new setup will expire on the individual's birthday in 1962.
